

NEXPLORE

Enrichment Solutions

Our Mission is to foster the joy of learning.

Virtual enrichment performance is essential now more than ever before.

Nexplore turns Virtual learning to hands-on engaging experience by delivering kits to your site or student's home.

Science

Three unique science programs

Science Wiz – Students dive deep into one core scientific concept like DNA, magnetism, electricity, and more with their very own ScienceWiz™ kit.

Nature Watch – Environmental science comes alive with Nature Watch™ activity kits and crafts to keep!

Survival Course

Students learn what to do in an emergency in the real world from knot tying, water purification, compass navigation. Students conquer every challenge mother nature throws their way!

Game Design

Learn Scratch, the visual programming language developed with the beginner coder in mind.

Web Design

This course will teach students the basics of building a website from scratch.

Makers Club

Students explore, experiment, and create their very own inventions with Maker Kits that enhance mechanical, art, and engineering skills.

Virtual Reality

Students will develop games and experiences in virtual reality with CoSpaces, a software that runs on the browser, smartphone, and Google Cardboard.

Magic

Students build self-confidence, performance skills, and theatrical charm to wow their audience with tricks from their very own magic kits!

Finance

Interactive, age-appropriate coursework teaches students about money in the real world and how to take positive financial action in their lives!

Art

Students explore core artistic techniques and concepts with fun mixed-media projects inspired by other cultures and works by famous artists.

Art Rods

In our Art Rods Program your students will learn the basics of 3D design, sculpting and modeling which will release their creativity, and let their imagination go in this fun and engaging art program.

Zumba

This high-energy fitness class is packed with fun dance routines that inspire kids to express themselves through movement and play.

Capoeira

This Afro-Brazilian martial art combines elements of combat, acrobatics, and dance, improving coordination, flexibility, and confidence.
